

APPLICATION FOR ANNUAL PROJECT FUND 2019

Date

The IIBA will make an annual grant to Societies (equivalent to 15% of fees paid by that Society in the current year) towards Projects that the Society considers will enhance the knowledge and spread of Bioenergetic Analysis. Societies, Federations and Regions may choose to use their Project Fund collectively where there is agreement to do so. The IIBA Board of Trustees (BOT) request that there is annual feedback on the progress towards the goals of a particular Project so that good ideas can be disseminated throughout the IIBA. The grant will be for one year.
